15	17:15	4x100 Relay	Finals (2)	16	27	16:00	Triple jump		

Please note:

The meeting is held in the spirit of UK Athletics rules and under Cardiff & the Vale of Glamorgan Schools' rules.

1. **Athletes must be over 13 and under 15 at midnight on August 31st/September 1st 2019 [Years 8 & 9]**
2. Athletes are permitted to compete in a maximum of three individual events, one of which must be a field event, plus a relay event. **Schools may enter two pupils in each individual event.** Pupils are not permitted to compete in 800 metres and 1500 metres events on the same day.
3. **SAFETY POLICY**
In wet weather, only athletes wearing spikes will be permitted to compete in high jump and hurdles races.
4. For safety reasons:
 - (a) Only athletes competing in events are permitted inside the perimeter fence. Spectators, supporters and athletes, who are not competing, must stay outside the barrier fence.
 - (b) The centre of the track is a danger area. Athletes must never cross it.
5. Athletes are required to wear their school (or college) vest. In all events, pupils will be issued with a unique number, which must be worn on the front of their vest and attached by 4 pins. A number should be fixed to a vest EITHER with 4 pins OR by double-sided tape.
6. If a school has one competitor in a field event, the athlete must report and compete in Pool 1.
7. If a school has two competitors in a field event, one athlete must compete in Pool 1 and the second athlete must compete in Pool 2.
8. In track events up to and including 300 metres, including hurdles events, the fastest athletes in each event, irrespective of finishing position in their heat, will qualify to compete in the A final. The next fastest group of athletes will qualify to compete in the B final. Heat winners will not necessarily compete in the A final as of right. If two Finals are held, the B Final will be held first followed by the A Final.
9. The 800 and 1500 metres events - both boys and girls - will be held as time-trials. An athlete's time will determine his / her overall position.

Points scoring at this fixture:

1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th	11th	12th	13th	14th	15th	16th
17	15	14	13	12	11	10	9	8	7	6	5	4	3	2	1

10. In all throws and horizontal jumps, athletes will be permitted three attempts.
11. If a pupil, who has competed in the heats of a track event and qualifies for the final, either arrives late for the final or withdraws from the final on the grounds of illness or injury, he/she will not be eligible to take part in any further event on the track or on the field during the remaining events at that meeting. The pupil will not be eligible for any available points in that or any subsequent events at the meeting, but any points gained in events, prior to that final, will stand.
12. Pupils taking part are advised that the wearing of jewellery and the use of headphones and mobile phones INSIDE the competition area constitutes a health and safety hazard. Jewellery should not be worn and mobile phones are to be switched off, and headphones are to be stored when a pupil is competing in the competition area.
13. **The first floor inside the building is 'OUT OF BOUNDS' to ALL pupils. A high standard of behaviour – towards the facilities and all staff who work there - is expected of all pupils while on site at Cardiff ISC.**
