***General Principles***

- Board meetings – last Monday in the month
- General Council – 1st week in the month
- Subgroups – approx. 2 weeks prior to Board to allow flow of reporting
- Discipline committees to be one week prior to Regional Athletics Councils (RAC) to ensure most up to date information passed to RAC
- Discipline committee and RACs to be alternative months to GC to ensure relevant discussions and flow of information across Governance structure
- Athlete Advisory Groups to be alternative months to GC to ensure relevant discussions and flow of information across Governance structure
- **Regional AGM's = June**
- Consideration to be given to coordinating Track & Field and Officials (T&F) committees as representatives sit on both
